PROJECTS

Underdog Devs, Backend Developer

[Github](#) | [Underdog Devs](#)

Node.js | Knex | PostgreSQL

- Created endpoints for mentors and mentees to be able to leave reviews for one another to help individuals grow
- Developed applicable seed data using Knex and by working closely with the frontend and data science team
- Utilized testing libraries and PostgreSQL to verify the backend connectivity to the servers
- Collaborated with frontend devs to ensure components were correctly connected with proper usage of endpoints

Amazon Clone, Fullstack Developer

[Github](#) | [Amazon Clone](#)

React | CSS | Firebase | Node.js | Axios | Mutationobserver-Shim

- Built a platform that allowed small business owners to login, review, and customize relevant pricing for listed items
- Created user-friendly interface by employing CSS and React for styling and to display items in various categories
- Delivered fully functioning shopping cart that renders without refreshing pages
- Implemented Mutationobserver-Shim component to facilitate item checkout and secure purchase activity

Netflix Clone, Fullstack Developer

[Github](#) | [Netflix Clone](#)

React | CSS | Firebase | API | Node.js

- Created a React app to allow users to see shows and movies based on genres by implementing a 3rd party API
- Integrated url search parameter functionality to provide users with responsive trailer preview of selected show or movie by clicking on the image of said movie/show
- Configured a banner to draw users in and populate a randomly selected show/movie with a brief description

EXPERIENCE

UPS, Absecon, NJ - Package Car Driver

May 2020 - Aug 2021

- Achieved DOT certification with a zero-accident record by following regulations and safety procedures
- Executed over 200 deliveries and up to 400 individual packages, approximately 700 lbs per day
- Maintained a safe working environment by following federal, state, OSHA, and CDC guidelines

LAZ Parking, Minneapolis, MN - Valet Attendant

Jan 2019 - Dec 2019

- Assessed the garage and determined the most effective parking scheme to bolster the number of available spaces
- Delivered guest vehicles smoothly and met diverse needs of valet customers
- Parked and retrieved cars carefully to prevent damage and avoid delays

EDUCATION

BloomTech FKA Lambda School, Graduate, Full Time Program, Full Stack Web Development

Aug 2021 - Mar 2022

Kean University, B.S in Biology

Aug 2012 - May 2014
